### IDEALLAV COMMERCIAL BRASS GRID STRAINER #74599

This one-piece lavatory drain features a removable grid strainer for quick and easy drain snaking access. To replace or reinstall the grid strainer, simply place it in the drain hole for a tight O-Ring seal. When installed, the strainer lays flat with no indication of possible removal to deter vandalism.

#### FEATURES:

- Chrome-plated cast brass
- Fits standard sinks with overflow
- Oversized pivot ball nut

■ REPLACEMENT  
GRID STRAINER

## Did You Know Best Carries ...

### Urinal/Toilet Covers

#99825477

These self-adhesive sheets of polyethylene plastic are an attractive solution for sealing off out-of-order urinals, toilets, and even sinks from unwanted use. Simply peel back the Jani-Wrap sheet from the roll, apply the sticky side down to the outer side of the bowl and stretch the sheet down and side to side. Once in place, trim the excess sheet and press firmly around the edges. **pg. 6-88**

- Works with any style of toilet or urinal
- Includes "NOT IN SERVICE" labels to apply to the Jani-Wrap
- 25 applications per roll

### Locking Sink Strainer

#89803

Featuring extremely easy installation, this sink strainer is a permanent, locking, high security strainer that can protect all 3.5" commercial drain openings. **pg. 8-30**

- Prevents food particles and other debris from accumulating in drain lines and floor sinks.
- Locks in place with high security tamper torx bit screw that prevents unwanted removal.
- A convenient solution that saves both time and money
- Durable plastic

### Pilaster Post

#63644

This hardware is used to support pilasters and partition panels in commercial restroom stalls. This support features a 1-1/4" two ear bracket and can adjust from a floor clearance of 11-1/2" to 14". **pg. 6-4**

- Stainless-steel construction
- Installation fasteners included

### Fat Ivan Door Stop

#67007

Slide over any hinge to fully open the door or keep the door partially open by using the magnets to place the Door Stop directly onto the lipstrike. Made with corrosion resistant plastic and zinc plated steel. **pg. 10-79**

- Folds up to fit in pocket
- No damage done to the door or jam
- Magnetize to the door for storage

### Lime Scale Eliminator

#98444

- Removes limescale, calcium, uric acid and rust build up in urinals, drains and wash basins
- Prevents slow running urinals
- Will not harm drain pipes
- Odorless
