

# NEW ARRIVALS

## Super Glue Mounting Tape Strips #61249

**Easy as a tape, strong as a construction adhesive.** Total Tape is a double-sided mounting tape with extreme strength, holding up to 14lbs per strip. It's perfect for applications like mounting identification plates, warning signs, alarm systems, electricity boxes, and much more! It provides instant grab and long-term endurance, and its solvent-free formula is reinforced with a structural mesh, providing a permanent bond. Moisture resistance makes it great for both indoor and outdoor use.

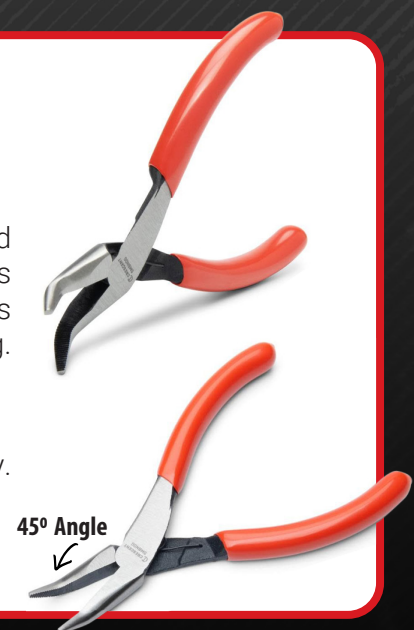

- Temperature resistant from 14°F to 167°F.
- Fixes all types of porous and non-porous materials on both smooth and slightly rough surfaces.

## Crescent 5" Mini Bent Nose Pliers #11545

This mini plier from Crescent features a slim handle and head design for greater access into tight working spaces. The joint is spring loaded to reduce hand fatigue, and the ergonomic handle is dipped in a plastic coating for a comfortable hold and easy cleaning.

- Laser hardened cutting edge for a longer tool life.
- Manufactured from alloy steel for improved strength and durability.
- Meets ASME specifications.

# BEST FEATURED ITEMS

## Gorilla Anti Slip Tread Tape

#61245

Gorilla Anti-Slip Tread Tape is designed to help prevent slips and falls by providing durable traction to wet, slick, or high traffic areas. The multiple layers of protective coating ensure a heavy duty, long lasting, durable grit for both indoors and outdoors. Gorilla Anti-Slip Tread Tape is perfect for ladders, steps, ramps, entrance ways, decks, and more.

- Durable grit: multiple layers of protective coating
- Weatherproof: indoor/outdoor
- Slip resistant: traction on wet and slick surfaces
- UV resistant
- Cuts with scissors

## 1/2" ProPress Large Assortment

#20286

Contains an assortment of 52 various 1/2" ProPress fittings including couplings, tees, elbows, caps, and more to ensure you have everything you need to make repairs.

## Odor Kill Powder

#98668

The industry's most effective odor absorbent. Odor Kill absorbs fuel oil odors and eliminates mildew odors. It is perfect for use on air filters to instantly destroy odors in ducts. Just use a small amount to quickly neutralize fuel oil odors due to leaks, spills, tank overflows and oil burner drippings. It absorbs the oil so it can be swept away. pg. 6-85

- Non-Toxic
- Non-Flammable
- Non-Corrosive
- Non-Irritating
- Made in USA

## Hose Bibb Lock & Magnetic Key Set

#68246

The Hose Bibb Lock and Magnetic Key Set is made from heavy-duty, non-rusting material. This lock has a unique design that secures hose bibbs from vandalism, unauthorized use, tampering, and water theft. This lock also stops drips and promotes water conservation even if the sillcock is turned on. pg. 6-103

- Fits all 3/4" threads.
- Includes 2 magnetic keys.

## Screw It Again Anchors (4/PK)

#11391 (Wood)

#11394 (Masonry)

Screw-It-Again is the one and only screw anchor engineered to ensure a strong grip in all types of wood, concrete, block, brick, and tile. All you need is a screwdriver, a hobby knife, and one minute! pg. 6-27

- One anchor can fix multiple stripped screw holes.
- 2" fits any screw hole from #4 to #16 screws.
- Pull load up to 220 pounds.
- Easy to use: Simple clipping and no measuring required.
- Efficient: No need to remove hinges or frames.

## Workright Winter Gloves

10391 (Large) | 10392 (XL)

These synthetic leather gloves are tough, soft, and comfortable to wear. They resist shrinking, stretching, and hardening and have an elastic wrist that keeps debris out and allows for easy on/off. The Workright Glove's cold weather insulation with lycra side panels provide improved dexterity and the concealed inside stitching helps to prevent snagging. pg. 10-47
