#86621 Mixing Valve Supply Cover

#86622 Thermostatic Mixing Valve Cover

These ADA-Compliant under-sink tubular covers feature a one-piece design with a universal fit over valve handles and brass, plastic or metal braided supplies and connectors and can flexcurl to a minimum of 360 degrees with a full slit closure for total compliance. The universal design covers brass and plastic tubular and accommodates both 1-1/4" and 1-1/2" tubular piping.

FEATURES

- Universal fit
- UV inhibited, anti-microbial, anti-fungal
- Fits sch. 40 traps & flexible braided supplies
- ADA Compliant
- Made in the USA

Blue Monster Microbubble Leak Detector

#99874103 (16 fl. oz.)

Blue Monster® Microbubble leak detector is a sensitive solution formulated to detect even the smallest of leaks in air and gas lines, tanks, cylinders, valves, fittings, pipelines, and other suspect areas. The dependable formula provides long lasting leak detection up to 10 minutes after application. Ideal for identifying leaks in refrigeration and air conditioning systems, this easy-to-use leak detector is equally effective on natural gas, propane, butane, air, nitrogen, chlorine, CO₂, and most other gases.

FEATURES

- Detects even the smallest of gas leaks.
- Non-freezing formula, usable from -10F (-23C) to 215F (101C)
- Will not cause corrosion or deterioration of metal or plastic piping systems.
- Ideal for testing pressures less than 1 psi

BEST FEATURED ITEMS

Commercial Ceiling Tile Cutter

#10491

This cutter helps to create perfect beveled edges on ceiling tiles. The one-piece all-steel design is comfortable to hold and use. It makes professional cuts every time, and blade changes and cutting depth are easily adjusted by hand with no additional tools required. pg. 18-77

- Integrated handle and adjustable blade make precise cuts easy.
- Eliminates wasted material due to bad cuts.
- 10 heavy duty (0.025 in.) blue steel blades are included.

Replacement Blades
#10912 (PK/5)

Odor Kill Powder

#98668

The industry's most effective odor absorbent. Odor Kill absorbs fuel oil odors and eliminates mildew odors which makes it perfect for use on HVAC filters, drips from pumps, and in parking garages and dumpsters. Just use a small amount to quickly neutralize fuel oil odors due to leaks, spills, tank overflows and oil burner drippings. The clay-based formula absorbs the oil so it can be swept away. pg. 19-10

- Non-Toxic
- Non-Flammable
- Non-Corrosive
- Non-Irritating

Hose Fittings Large Assortment #70369

This assortment contains a variety of 58 items, including hose fittings, washers, shut-off connectors and nozzles for all your hose connection needs. pg. 1-14

Knee and Back Pad #99490735

Protect and comfort your knees and back with this super soft commercial grade kneeling pad. Indentations cradle and comfort the knees. The ribbed anti-slip surfacing on the bottom provides stability while working, and the pad wipes clean easily with soap and water. pg. 20-6

Gorilla Anti-Slip Tread Tape #61245

Gorilla Anti-Slip Tread Tape is designed to help prevent slips and falls by providing durable traction to wet, slick, or high traffic areas. The multiple layers of protective coating ensure a heavy duty, long lasting, durable grit for both indoors and outdoors. It's weatherproof and effective in temperatures from -40°F to 220°F, making it great for use in any season. Gorilla Anti-Slip Tread Tape is perfect for ladders, steps, ramps, entrance ways, decks, and more. pg. 20-6
