BEST PLUMBING SPECIALTIES

BLUE MONSTER 1-STEP CPVC CEMENT

Blue Monster 1-Step CPVC cement is a self-priming pipe glue that requires no additional primer. This cement is a medium bodied, fast-setting CPVC cement for use on copper tube size (CTS) CPVC pipe and fittings up to 2" diameter with interference fit. For use on piping systems up to 180°F, and is perfect for potable water, drain, waste, vent, and sewer applications.

- Use in hot or cold piping systems
- Allows for immediate pressure testing
- Eco-Friendly – low VOC

#88086 (8 fl. oz.)

PRESS X COMPRESSION VALVES

These mini ball valves utilize press technology which reduces installation time significantly compared to traditional soldering, compression, or threaded connections. They feature smooth quarter turn action, and are designed for ultimate durability, precision, and efficiency to make every installation smoother than ever.

- Plated
- Lead-Free

1/2 Female Press x 3/8 OD Comp Straight #88091

1/2 Female Press x 3/8 OD Comp Angle #88092
